## SUPPORTIVE AND UNYIELDING REPRESENTATION FOR A BRIGHT FUTURE

From property settlements to child custody agreements, a family law matter can affect nearly every aspect of your life. Professionals going through divorce need an experienced attorney who will aggressively advocate on their behalf. Charlie Hodges, board-certified in family law by the Texas Board of Legal Specialization, as well as a fellow in the American Academy of Matrimonial Lawyers and the International Academy of Family Lawyers, has more than 40 years of experience and is recognized as one of the leading divorce lawyers in Texas. Katie L. Lewis, board-certified in family law by the Texas Board of Legal Specialization, is a fierce litigator who focuses exclusively on complex family law matters. Lewis and Hodges are compassionate, understanding the toll a divorce might have on their clients' well-being. Both attorneys have repeatedly made the Texas Super Lawyers list, with Hodges being named to the Texas Super Lawyers list 16 straight years (2003-2018) and Lewis being named to the Texas Super Lawyers list for six straight years (2013-2018). In January 2018 *D Magazine* named Lewis among the Best Lawyers Under 40 in Dallas.

Lewis and Hodges recently welcomed each other as of counsel to their respective family law practices. They formulate customized, results-driven strategies to reach their clients' short-term and long-term goals. Because life is never static, they adapt their strategies when needed. One objective, however, remains the same: turn big obstacles into big opportunities for a positive future.
